NEWSLETTER NO. 12/2021

19 July 2021

Good afternoon parents,

I trust that everybody is safe. At this stage, it seems that the situation in the vicinity of the school is stable. If there is no further unrest or security concerns before tomorrow, we will resume school. Please take note of the following:

- We will follow all our stringent safety protocols. The safety and security of all our Settlers' Park family is of paramount importance.
- There has been verified communication from numerous sources that we need to stay alert.
- Please drop and fetch children **timeously** so we can lock gates.
- Please be on standby to fetch your child at short notice if it is necessary.
- If you are unable to fetch your child, please allocate someone else and communicate this with your child's teacher (via the class message book.)
- While the school day will continue as normal (including aftercare) if there are any safety concerns, we may need to close aftercare earlier. This will be communicated to you if it is necessary.
- If you are not sending your child to school, please email us on [admin@settlersppp.co.za](mailto:admin@settlersppp.co.za). If this is the case, please advise when your child will return.
- Online lessons will not continue when school starts as the teachers need to be fully involved with the children who are at school.
- If your child attends Extra Mural classes, please contact the service providers directly to ask when lessons will resume.
- Please look on our Facebook page for some very beneficial videos from Naomi Holdt.
- Please continue to follow all the COVID protocols.

We look forward to hopefully seeing our Settlers' Park family members tomorrow.

Take care,

**Ellen Borain**  
**Principal**
