**Re: Appreciation Letter**

I hope this letter finds you in good health and high spirits. I am writing to express my heartfelt appreciation for the exceptional educational experience that Settlers 'Park Pre-Primary School has provided to my child, Mhlabawakhe Mabaso.

Our journey with Settlers' Park has been nothing short of remarkable. From the outset, the level of education and care extended to our child has been exemplary. The dedication of your teachers, the innovative curriculum and the personalized attention given to each child has significantly contributed to our child's growth and development.

What truly sets Settlers' Park apart is the invaluable relationship it fosters with parents. The open lines of communication, the genuine involvement of teachers and staff and the transparent approach to education have made us feel like integral partners in our child's educational journey. The sense of community and collaboration between the school and parents has been a source of great comfort and assurance.

I want to express our gratitude for the school's adaptability and resilience during the challenging times of the COVID-19 pandemic. The seamless transition to virtual learning, including the memorable Zoom interview with Mhlabawakhe, showcased the school's commitment to maintaining educational excellence while prioritising the safety and well-being of the students.

Settlers' Park is more than just an educational institution; it is a beacon of excellence. The calibre of your school, evidenced by the outstanding teachings and development programmes, is truly commendable. The emphasis on fostering a love for learning, creativity and character development has left an indelible mark on our child's formative years.

I extend my sincere thanks to the dedicated teachers who have imparted knowledge and values with passion and commitment. The visionary leadership of the principal and the tireless efforts of the entire board have created an environment where students thrive academically and personally.

In conclusion, please accept our heartfelt thanks for everything Settlers' Park Pre-Primary School has done for Mhlabawakhe and our family. We are truly grateful for the positive impact you have made on our child's early education. His journey continues with Merchiston Primary in 2024!!!!

Yours sincerely,

Simiso Mabaso and Nqobile Mabaso (Mhlabawakhe Mabaso parents)
